If you've recently started playing Plants vs. Zombies, you might be a bit confused about the differences between the 1st and 2nd games and may be unsure how to get started. Well, we are here to help and bring you everything you need to know to get on your way with this amazing game! Although the 2nd version is different from the 1st in a lot of ways, the game play is very similar. You must guide your base on the plot of the whole game, as the game progresses. To get the very best results from the game, you should at least have read our tips. The Basics of Plants vs. Zombies 2 Ok, So, What Is The Basic Step To Play Plants vs. Zombies 2 Game? Here is what you should do to play Plants vs. Zombies 2 without any fail. First, you should read the introduction of the game and the settings. In the beginning of the game, you will choose whether you want to build your garden from scratch or buy the seeds, planks, and other materials for the plants. You can buy them or grow them naturally. Then, you should decide which tower you want to build, and make sure you have enough money to build it. And then, you should decide which zombies you want to take out of the game. You can level up by building the tower to have more plants, or you can kill the zombies to earn more points, which then make it easier to gain more points. Finally, you have to plant your seeds and then start the battle. On the battle screen, there will be a plant in the center, with four colored blocks. When you click on the blocks, you will see a portrait of the zombie. You must click on the correct block in order to destroy the zombie. If you destroy a zombie, it

will go down one level, which means you will earn the points which are in the blocks next to the zombie you just destroyed. It's very important that you level up your plant tower to get more points. You will earn more points when you level up your tower.

On the right side of the screen, there is the notification of how many plants have been collected, how much food you have gathered, how many zombies you have eliminated, and other things. The Game Play Of Plants vs Zombies 2 How To Play Plants vs Zombies 2 This is 82157476af
